The printed version of the Handbook is issued in loose leaf format and arranged alphabetically in sections. Pages are numbered within each section and each page shows the month and year of issue of the page. The Contents page also gives this information and a new contents page is included with each issue of update pages for the Handbook. **Overleaf on page A2 are details of which pages have to be removed and replaced with the new issue.** A full text copy of the Handbook also appears on the Association's website www.tricycleassociation.org.uk. The Members Address List is issued periodically as a separate pamphlet.

A BRIEF HISTORY OF THE TRICYCLE ASSOCIATION

The inaugural meeting of the Tricycle Association took place on 12th December 1928 at the then headquarters of the National Cyclists' Union, but of course the idea of forming such an association had taken place on an earlier occasion.

The forerunner took place when a group of enthusiasts met at "The Crown", Theale following a Western Roads CC 50. Tricycle entries in some of the Western Roads and other West London promotions had been encouraging and it was proposed by a great tricycling enthusiast named Alec Glass that an organisation be established to allow tricycles to be catered for both socially and competitively.

Twenty tricyclists attended the inaugural meeting, as follows:

E.S. Hall, W.C. Keen, H.C. Bateman, A.H. Stead, F.R. Fisher, S.H. Young, S.R. Baron, A.R.M. Harbour, A.G. Dymore, A.B. Howard, L.F. Dixon, L.E. Vasey, R.J.J. Coe, C.H. Cooper, M. Draisey, J.H. Wallace, H.H. Froud, H.A. Payne, Sammy Bartleet and A.H. Glass.

Following the reading of the notice convening the meeting Sammy Bartleet was elected unopposed to the Chair, a position he occupied until his sudden death in 1943.

The first AGM of the TA was held at the same venue on 26th January, 1929, and the constitution which the Committee had drawn up was ratified.

Thus, the Tricycle Association was established.

The first official run of the Association was the centre of much public interest, and received the interest of the National Press both in print and pictures. It took place on Sunday February 24th, 1929. Fourteen tricyclists set off from Hyde Park Corner and proceeded to the "Anchor Inn" at Ripley.

Over the years the Association continued to make steady progress and soon a Northern Contingent was established.

Unfortunately the outbreak of the war in 1939, just ten years after the formation of the Association made the future of the TA uncertain, but a skeleton programme was planned, and the Association was able to carry on during these difficult times. This was largely due to the enthusiasm of a certain Len Wishart, who worked untiringly and enabled the Association to advance from strength to strength, when it might easily have marked time.

After the death of Sammy Bartleet, the role of Chairman was taken over by J. Dudley Daymond. This great rider joined the Association in 1933. He held the RRA London to Brighton and back Tricycle Record in 1906, with a time of 6 hours, 19 minutes and 48 seconds.

The office of President was created in 1944 and the first person to occupy this position was George Herbert Stancer, OBE, a former Editor of "Cycling" and Secretary of the Cyclists' Touring Club for over a quarter of a century. A TA Member from the very early days, GHS, as he was affectionately known, was, together with L.S. Leake, the holder of the RRA London-Brighton and back record on tandem tricycle in 1910, with a time of 5 hours, 59 minutes, 51 seconds.

Nowadays our Association totals over 400, about 15 of these being Overseas. The Association is divided into eight Regions including one Overseas, each of which (except Overseas) has its own local officers. The overall running of the Association is vested in a National Executive Committee and, of course, National Officers.

Ever since 1944, when it was first published as "The Tricycle Bulletin" we have had the benefit of our own excellent quarterly magazine, "The Tricycle Association Gazette".

In the early days the Association was involved mostly in touring activities, but nowadays the Association is also involved in promoting its own time trials. For the 1984 Season, the 'Tricyclist's League' was introduced, in an effort to encourage members to enter Events in regions other than their own, and this has been helpful in achieving that end.

At first there was a separate Women's Tricycle Association, and it was not until 1976 that the constitution was changed to merge the two Associations into the Tricycle Association as it is today.

Some of our great riders have been commemorated with Memorial Events named after them, in particular Bruce Kingsford, with the 50 mile championship, Stan Spelling, the 25 mile championship, Jenny Noad, the 10 mile championship, and most recently the Felicity Beard 100, following her shocking death in a time trial in 1989. The first ever Stan Spelling Memorial Event was a truly memorable occasion. In 1973, on the K16, as a tribute to Stan, an event was held which attracted a full field, with other entries having to be returned.

Probably two of the most colourful record breakers we have had in our

Association are Albert Crimes and John Arnold. They established the following RRA records on Tandem Tricycle:

50 miles 1 hour, 49 minutes, 55 seconds
100 miles -3 hours, 46 minutes, 30 seconds
257.75 miles in 12 hours
466.25 miles in 24 hours
1000 miles in 2 days, 13 hours and 59 minutes.

In 1972 Eric Tremaine was recognised as having given the most outstanding and meritorious performance in cycling competition during the year, by the award of the Bidlake Plaque. This was in recognition of his performance in the North Road 24, when he achieved 457.895 miles, a record which still stands today.

The Annual Dinner of the Tricycle Association has been held at several different venues over the years, but in more recent years this happy event has been held in Warwickshire. It was here, in 1978 that we celebrated our Golden Jubilee at which six founder members were present (four others having been unable to attend).

1990, saw what could possibly be seen as the greatest record of all. Namely that of George Lawrie who celebrated 50 years as our Time Trials Secretary. But this is not the only record held by George. He holds a place in the RRA Honours List for his 1000 mile Tricycle Record in October of 1938, when he covered the distance in 4 days, 6 hours, 32 minutes.

In December, 1990, finally, the RTTC recognised Tandem Tricycle Competition Records. We had been trying for this for 40 years!

In 1998 the Association was involved in the first tricycle event on foreign soil with the first of a series of time trials associated with the annual village fete at St Marsault in France. Although not held every year, this happy association has continued over the years and has developed into an unofficial World Tricycle Championship. In 2006, during a break in the sequence at St Marsault an event was run at Asse in Belgium thus spreading the influence of the tricycling fraternity even further.

The number of tireless workers, and colourful characters, including amazing record breakers which our Association has been fortunate to boast over the years, are simply too many to mention, so perhaps the best thing would be to refer the reader to the list of records at the back of this Handbook, since each and every person listed there deserves a specific mention in this brief history of the Tricycle Association.

CONSTITUTION

1. The name of the Association shall be “The Tricycle Association”.
2. The object of the Association shall be to provide social and competitive activities for the members.
3. Membership shall be confined to past or present riders of the tricycle.
A tricycle is defined as a humanly propelled machine, self-supporting and making three tracks when in motion.
4. The colours of the Association shall be crimson and gold.
5. The design of the badge shall be three interlocking circles surrounding the monogram “TA” superimposed in gold on a crimson base.
6. The official organ of the Association shall be “The Tricycle Association Gazette”.
7. The management of the Association shall be vested in a National Executive Committee consisting of the Officers of the Association and such elected members as shall from time to time be determined.
8. For the purpose of administration the Association shall be divided into regions, each of which shall be known under a geographical title. The areas of operation of these regions shall be from time to time defined by the National Executive Committee, and need not necessarily be confined to the specific geographical boundaries suggested by the title.
9. Each region shall be regarded as a separate body within the framework of the national organization, and shall affiliate directly to Cycling Time Trials for the purposes of members taking part in time trials.
10. The management of a region shall be vested in a regional committee consisting of the officers of the region and such additional members of the region as shall from time to time be determined.
11. If the National Committee decide that it is necessary to dissolve the Association, it shall call a meeting of all members of the Association of which not less than 21 days notice (stating the terms of the resolution to be proposed) shall be given. If the proposal is confirmed by a two thirds majority of those voting, the NEC shall have the power to realize any assets held by or on behalf of the Association. Any assets remaining after the satisfaction of any proper debts and liabilities shall be given or transferred to such cycling or recreational organizations, charitable organizations or bodies having objectives similar to those of the TA as the winding up meeting may determine. Failing that they should be applied to some charitable purpose.

RULES

A region shall hold an Annual General Meeting, at which not less than seven regional members are present, not later than September 30th, which shall receive a regional report and financial statement, elect officers and a committee, elect delegates to bodies to whom it is affiliated, and decide upon the social and competitive programme for the following year. A Regional Secretary shall give not less than fourteen days notice of such a meeting to members of his/her region by publishing notice of such meeting in the previous issue of the Association's Gazette.

20. A region may hold a bank account in the name of (i.e. Tricycle Association Region) for the purpose of running regional social events. Regions holding money on their own account may appoint a Regional Treasurer. A regional account will have three signatories any two of which must sign for withdrawals. The Regional Treasurer will submit a balance sheet recording all transactions during the previous year for the approval of the Regional AGM. In the event of the Regional AGM not being quorate the balance sheet and the supporting evidence will be sent to the National Treasurer for auditing with the National accounts. If a region is disbanded any funds left in the Regional account will be paid to the National Account.
21. An Extraordinary General Meeting of a region may be called at any time by order of the Regional Committee, or by a requisition signed by at least ten members. The Regional Secretary shall be required to give at least seven days notice of any Extraordinary General Meeting at which no matter shall be discussed other than that for which the meeting was called.
22. Postage and approved affiliation fees incurred by a Region may be claimed from the National Treasurer. A statement signed by the Regional Chairman and Secretary of accrued monies and stock held by the Region must be submitted to the National Treasurer by 30th September of the current year. Each Region shall affiliate to a C.T.T. District local to them and may also affiliate to any local cycling association(s) they deem necessary.
(Note of guidance on this rule issued to Regional Secretaries, October 2006)
23. All time trials promoted by a region shall be open to any Tricyclist, who shall be eligible for any award or trophy of the Association, except where the conditions specify that an award or trophy is confined to members of the Association.
24. A Regional Time Trial Secretary shall furnish the National Time Trial Secretary with start and result sheets, or notification of cancellation; the National Treasurer with the Start/Result sheets and a Balance sheet for each event; and the Gazette Editor with a result sheet, within twenty-eight days of every Time trial promoted by the region.
25. The Regional Secretary shall send a regional report, including details of officers elected, the future social and competitive programme and the number of members present at the Annual General Meeting, to the National Secretary not less than fourteen days before the National Annual General Meeting. This report shall be submitted to the National Annual General Meeting, and shall be subject to its approval.

26. A request for the formation of a new region shall be made to the National Executive Committee, and shall bear the signatures of at least fifteen members. The National Executive Committee shall have the power to sanction the formation of a new region, having satisfied itself that the formation of such a region is in the best interest of the Association.

GENERAL

27. No alteration to these rules and constitution shall be made except at the National Annual General Meeting or a National Extraordinary General meeting and then only on a majority of two thirds of the members present and voting.
28. Only members whose subscription is fully paid shall be entitled to attend and vote at meetings of the Association.
29. All questions arising out of the correct interpretation of these rules, and all matters not herein provided for, shall be referred to, and settled by, the National Executive Committee.
30. At least 14 days before the Spring meeting of the National Executive Committee, Regional Committees should consider which of the National Time Trials and/or Social weekends they wish to promote during the following year. The National Executive will allocate the events to the Regions, who in turn will be responsible for applying for dates and courses. In the event of no region applying to run an event, the National Executive Committee will be responsible for the date application, course and promotion.
31. All nominations for President, National Officers and Committee shall be sent in writing to the National Secretary not later than 1st October for inclusion in the AGM Agenda. If no such nominations are received then nominations may be taken from the floor of the meeting for each post for which no nominations have been received. If there are more than six nominations for the six elected members' posts, then an election shall be held for all six posts. The Agenda should state whether current holders of positions are prepared to continue in office.
- All officers and committee members should be asked at the Summer NEC whether or not they wish to continue in office for the following year. Where an officer or committee member expresses willingness to continue in office for the following year, the nomination made at the time of his or her original election to office should be deemed sufficient.

RULES OF RACING

1. All Road Time Trials shall run in accordance with the Cycling Time Trials Rules and Regulations, and shall be for tricyclists only with the exception that Tandem Bicycles may be admitted to Tandem Tricycle events. No TA awards will be given to riders of Tandem Bicycles.
2. All track events shall be run strictly in accordance with the Rules of British Cycling.
3. All massed start events shall be run strictly in accordance with the Regulations of British Cycling and shall be held on closed circuits only.

RESPONSIBILITIES OF NATIONAL OFFICERS AND JOB-SPECIFIC MEMBERS OF THE N.E.C.

Introduction

The 2005 A.G.M. approved a proposal that Officers and others on the N.E.C. with specific ongoing jobs should prepare a simple list of their responsibilities with the intention of including this information in the Handbook. The aim of the lists is to inform members as to “who does what” and to clarify areas of possible overlap and confusion. The May 2006 N.E.C. meeting considered and agreed these lists, which were submitted by the individual postholders. The lists are not intended to be job descriptions, nor are they intended to be all-inclusive and are only brief outlines of individual responsibilities. They are in no way intended to restrict the initiative by which individuals can, by the way in which they carry out their jobs, make their own contribution to the wellbeing of the Association and the way in which it operates.

All postholders are responsible to the Tricycle Association, through the National Executive Committee, for the effective execution of their responsibilities, as detailed in the Constitution and Rules of the Association and in the best interests of the Association as a whole. It is expected that postholders will liaise with members of the N.E.C. and other members of the Association as necessary in order to discharge their individual responsibilities.

Chairman:

1. Chairs N.E.C and A.G.M. meetings of the Association.
2. Ensures that the business of the Association is run in compliance with the Constitution and Rules of the Association.
3. Oversees the democratic process in operation on an everyday basis in the Association, mediating when necessary.
4. Makes decisions, in consultation with appropriate Officers and Members, on matters of urgency which may occur between meetings.
5. Writes quarterly notes for the Gazette.

National Secretary:

1. Provides secretarial and support services to the Association under instruction from the N.E.C. and the Chairman.
2. Prepares and circulates agendas and support papers for the N.E.C. and the A.G.M.
3. Takes minutes of meetings and maintains appropriate records.
4. Deals with correspondence and acts as contact and information point for enquiries.
5. Custodian of the archive files of minutes and correspondence.
6. Writes quarterly notes for the Gazette.
7. Maintains current copy of the Handbook, including the Constitution and Rules and arranges for the issue of amendments to the Handbook and the production of new editions when required.
8. Liaises with Officers and Members of the Association to discharge the above responsibilities.

National Treasurer and Membership Secretary:

As National Treasurer:

1. Receives all monies payable to the Tricycle Association and pays them into the Association's national account.
2. Pays invoices presented to the Association as appropriate.
3. Sends out invoices as appropriate.
4. Keeps account of the income and expenditure of the Association.
5. Prepares the accounts for auditing annually.
6. Produces a balance sheet for the AGM.
7. Proposes appropriate subscription rates at each A.G.M.
8. Informs, and when necessary consults with and acts under the direction of the N.E.C. on all financial matters.
9. Manages the sale of the Association's stock.
10. Reports regularly to the N.E.C.
11. Writes a quarterly report for the Gazette.
12. Custodian of the Women's Tricycle Association Archive.

As Membership Secretary:

1. Receives members' subscriptions and keeps records of subscriptions paid.
2. Ensures all subscription monies received are deposited in the National account.
3. Sends out renewal notices and reminder letters as appropriate.
4. Receives membership applications and informs the National Secretary and appropriate Regional Secretaries.
5. Maintains a current address list of members for periodic issue to Members and for circulation of Gazettes and A.G.M. notices.
6. Maintains an e-mail address list for circulation among participating members.

National Captain:

1. Organises the National Dinner and Prize Presentation.
2. Encourages and supports the social activities of the Association by attending as many functions as possible, particularly those where more than one Region is involved.
3. Promotes the Association as much as possible.
4. Writes a quarterly report for the Gazette.
5. Acts as Custodian of the Association's Photo Archive.
6. Reports regularly to the National Executive Committee.

Time Trial Secretary:

1. When C.T.T. Handbook for the forthcoming season is issued lists all Tricycle Association time trials for the season.
2. About 4 to 5 weeks before each event is run sends to the Event Secretary:
The blank account sheet for the event for completion by the Event Secretary and return to the National Treasurer.
A form for listing the award winners in the event for return to the Time Trial Sec.
A covering letter of thanks which explains the procedure and the enclosed forms.
3. As results are received from the event secretaries arranges for medals to be engraved in batches.

4. Prior to Annual Dinner collates results, checks that engraving has been done on trophies held by previous year's winners and arranges any engraving required on any trophies which have been stored in the Time Trial Secretary's care in the past year.
5. Arranges prize presentation for the Annual Dinner and prepares and arranges for printing a list of prize winners for circulation at the Annual Dinner.
6. After the Annual Dinner ensures that the National Secretary receives details of national prize winners for the purpose of updating the Handbook.
7. Prepares a list of proposed dates for major time trials for the next season for presentation at the A.G.M.
8. Reports regularly to the National Executive Committee.
9. Writes quarterly report for the Gazette.

Tricycle Association Gazette Editor:

1. Edits the Gazette to ensure that it reflect the interests and wishes of the membership.
2. Determines content and arrangement of the Gazette by:
 - Commissioning, collecting, collating, selecting, editing and arranging material, including advertisements, ensuring, as far as possible, the factual accuracy of the material to be published.
 - Conferring with contributors, and dealing with related correspondence and telephone calls.
3. Prepares the Gazette for publication at quarterly intervals by:
 - Negotiating costs and matters of presentation with a printing firm and arranging for publication.
4. Arranges printing and distribution.
5. Liaises as necessary with the Webmaster.
6. Reports regularly to the National Executive Committee, especially on matters of editorial policy and expenditure.
7. Custodian of the bound run of the Tricycle Association Gazette, the Association's Book of Honour and holds archive copies of the Gazette prior to binding.

Note on editorial policy:

The Gazette should reflect the interests and wishes of the membership. Normally, every effort should be made to include all contributions from members; however, the Editor must reserve the right to exercise discretion in what is selected for publication. If the Editor decides material should be modified (beyond presentational details), deferred or excluded, the contributor should be informed and an explanation offered.

Tricycle Association Webmaster:

1. Maintains and develops the Association's Website as:
 - A public advertisement.
 - A national and international recruitment vehicle.
 - A service to members to compliment and supplement the Gazette.
 - A means to promote tricycling worldwide.
2. Liaises with the Gazette Editor on the publication of "Activities" and "Competition Results".

3. Provides a resource for National and Regional Officers to support and promote their activities.
4. Provides an accessible source of information on tricycles.
5. Reports regularly to the National Executive Committee.

Tricycle Mileage Chart Organiser and Correlator of Memorials:

As Mileage Chart Organiser:

1. Arranges for blank mileage charts to be circulated with an appropriate issue of the Gazette.
2. Encloses a new blank mileage chart (for use the following year) with all certificates awarded.
3. Ensures that a supply of blank certificates signed by the current President and National Secretary are available for completion prior to the National Dinner.
4. On receipt of completed mileage charts writes out certificate.
5. Arranges presentation of the completed certificates to applicants attending the National Dinner.
6. Posts certificates to applicants not attending the National Dinner.
7. Lists the applicants' mileages and compiles a précis of the members' comments submitted with the mileage charts for submission to the Gazette Editor for publication.

As Correlator of Memorials:

1. Carries out an annual check of the condition of memorials to deceased members' (excluding memorial trophies).
2. About 5-6 weeks before the A.G.M. circulates questionnaire to each memorial's supervisor.
3. Writes a précis of replies and presents as a report at the A.G.M.
4. Liaises with the National Secretary to ensure that a record is maintained relating to the list of memorial supervisors and the ongoing condition of the memorials.

Tricyclists' Time Trial League Organizer:

1. Collates the sixteen counting events for each year, comprising two nominated events from each region plus the Circuit of the Dales and one international event (the T.A. World Tricycle Time Trial Championships).
2. Records the points awarded to each competitor throughout the year. A minimum of six events must be ridden to qualify for the league with the best ten results to count. Points are awarded as follows: 30 for fastest member down to 1 for 30th, all events count, and the winner of the competition will be the rider with the most number of points.
3. Publicises the ongoing positions throughout the year via the Website and the Gazette.
4. Arranges for certificates to be printed and awarded (at the National Dinner if the competitor attends or otherwise by post) to all qualifying riders.

Tricyclists' Criterium League Organizer:

1. Negotiates with event organizers and selects eight counting events for the league and arranges for them to be listed on the T.A. website and in the Gazette.
2. Ensures the collection and collation of the league event results, maintaining an updated list of qualifiers and positions throughout the season and providing a final list of qualifiers and positions so that the Ken Jiggins Tricyclists' Criterium League Trophy and appropriate certificates and can be awarded at the Annual Dinner and Reunion.
3. Ensures that the league is run in accordance with the agreed rules, outlined below:
 - Only fully paid up T.A. members are eligible to qualify for the League;
 - Events to qualify must be held under the rules of British Cycling and open to tricyclists only;
 - At least four T.A. entries are necessary to constitute an event;
 - The League will be decided on a rider's performances in all eight criteriums during the season;
 - Points will be awarded as follows: 10 points to the fastest T.A. member; 9 points to the second fastest T.A. member; 8 to the third, and so on, down to 1 point to the 10th fastest T.A. finisher and to any other finisher, or to anyone who is withdrawn on instructions from the commissaire or other official;
 - The Ken Jiggins Trophy will be awarded to the winner of the league.

Regional Secretary:

This is intended as an outline of the responsibilities of a Regional Secretary.

1. Makes arrangements (including fixing date and venue, preparation of agendas) for Regional A.G.M. and any Regional Committee Meetings which may be necessary.
2. Takes minutes of Regional A.G.M. and any Regional Committee Meetings held.
3. Deals appropriately with regional correspondence.
4. Writes and sends the regional report for each issue of the Gazette to the Gazette Editor by the due date as advertised in the previous Gazette printed. Also provides additional information regarding any events that are available to members to participate in, if possible include a contact number.
5. Attends, or nominates a regional representative to attend, N.E.C. and A.G.M. meetings.
6. Prepares and submits to National Secretary all reports concerning the region including any propositions, in order to be included in the agenda for N.E.C and A.G.M. meetings.
7. Maintains a record of regional accounts and submits it to the National Treasurer at the years end or when requested.
8. Receives any comments made by members appertaining to Association affairs, and where possible advises or refers them to the appropriate officer or committee member.
9. Contacts new and re-joined members within the region to encourage and help them enjoy all the benefits of the Association.
10. Ensures all affiliations by the region, including those payable to C.T.T. and other local cycling associations to which the Region may wish to affiliate, are made.
11. Ensures that all applications for time trials promoted by the region are forwarded to the C.T.T. regional date-fixing meetings.

THE ASSOCIATION'S REGALIA

President's Badge and Ribbon of Office

Presented in 1978 by Miss H Dover in memory of her brother Oscar Dover and incorporating his Honorary Life Member's Badge.

President's Silver Goblet

Purchased in 1980 by members in memory of C. Edmund Green and for the use of the President at the National Dinner.

Chairman's Gavel and Block

Presented in 1978 by the Association in memory of Oscar Dover for the use of the National Chairman.

The Book of Honour

Donated by the Tuffnell family and members of the Association in memory of Ron Ward and other members of The Tricycle Association who have served in a notable manner and also in memory of the Honorary Life Members of the Association. The book records the names and brief resumes of members who have contributed to the furtherance of the Association above and beyond the call of duty. The National Executive Committee have decided that only deceased members shall be entered and that prowess in the field of competition is not a valid qualification for inclusion, but service to the Association in other ways is.

The entries in the Book of Honour are on page F 2

NATIONAL TROPHIES AND WINNERS

This section (K) of the Handbook lists National Trophies and winners. Each trophy has a brief introduction outlining some of the history, and giving details of the donor of the trophy.

Also included in the introduction to each trophy are the conditions relating to the award of the trophy. In these conditions, a "Member" is one whose application for membership of the Tricycle Association has been received, subject to ratification, by the National Treasurer; together with the fees for the current year; before the start of the qualifying event. This introductory paragraph also indicates if the trophy has to be claimed and indicates how the claim must be made.

Over a period of time the aim is to improve these listings by the addition of winners times, average speeds, distances covered, etc. So far, some trophies have been updated in full or in part and further updated lists may be issued from time to time. Any information which will help to fill these gaps, and which will be included in the next edition of the Handbook, will be gratefully received and should be sent to the National Secretary.

The lists of trophies and winners commences on page K 2.

The Tricycle Trophy

Originally purchased in 1913 by subscription among tricyclists. From its inception in 1913 it was controlled by a Committee of Trustees until 1938 when it was presented to the Association by the Trustees for Open Competition among all tricyclists, subject to the condition that it is completed for in rotation at 50 and 100 miles and 12 and 24 hours. The counting event each year is announced in the Tricycle Association Gazette. The trophy must be claimed and claimants must notify the National Time Trial Secretary of their rides by 7th October.

The Major Liles Memorial Trophy

A perpetual trophy presented by Mr H. W. Bartleet, consisting of the eight National Championship Medals won by the late Major C. E. Liles, set in a silver salver also won by him, and awarded annually for the best set of tricycle rides at 50 miles, 100 miles and 12 hours, calculated in the same manner as the British Best All-Rounder Competition. Rides in any T.A. event or any Open or Association event under C.T.T. regulations are eligible, subject to the approval of the National Executive Committee. The competition is open to any tricyclist, whether a member of the T.A. or not. The trophy must be claimed and claimants must notify the National Time Trial Secretary of their rides by 7th October. A silver gilt medal will be presented to the winner if a member of the T.A. and certificates to all members exceeding an average of 18 mph. Where known, the winning average speed is given in miles per hour.

The Tricyclists' Time Trial League Trophy

A perpetual trophy awarded annually to the member gaining the highest total of points in the Tricyclists' Time Trial League table. Points will be awarded for positions in each event, 30 for fastest member down to 1 for 30th and the winner of the competition will be the rider with the most points. The table to consist of sixteen events each year comprising two nominated events from each region plus the Circuit of the Dales and the Tricycle Association World Tricycle Time Trial Championship. A minimum of six events to be ridden to qualify for the league with the best ten results to count. Certificates will be awarded to all competitors who qualify. Claims are not required as the League Organizer is responsible for ensuring the collection and collation of the event results and providing a final list of qualifiers and positions so that the trophy and certificates for others in the table can be awarded at the Annual Dinner and Reunion.

The original trophy donated by Nick Bailey was replaced in 1993 as there was no more engraving space and the trophy was nearing the end of its life. A replacement trophy was donated by Peter and Gwyneth Holland and the N.E.C. agreed that the original trophy should be held in trust for the Association by the person who had won the Tricyclist's Time Trial League the most times in the period 1984 to 1993; this being Peter Holland.

The Ken Jiggins Tricyclists' Criterium League Memorial Trophy

A perpetual trophy donated by Roger Akers and in memory of Ken Jiggins to be awarded annually to the member gaining the highest total of points in the Tricyclists' Criterium League table. There shall be eight qualifying events, which must be held under British Cycling rules and open to tricyclists only, with at least four entries from T.A. members to constitute an event. The events are selected each year by the League organizer and are approved by the N.E.C. In each counting event points will be awarded to T.A. members as follows: 10 points to the fastest; 9 to the second fastest; 8 to the third, and so on, down to 1 point to the 10th fastest T.A. finisher and to any other T.A. finisher, or to any T.A. competitor who is withdrawn on instructions from the commissaire or other official.

Claims are not required as the League Organizer is responsible for ensuring the collection and collation of the event results and providing a final list of qualifiers and positions so that the trophy and certificates for others in the table can be awarded at the Annual Dinner and Reunion.

The South Eastern Region Bill Finch Memorial 25

Promoted annually in memory of W.C. "Bill" Finch. Bill was made a Life Member of the T.A. in 1996 for outstanding services to the Association nationally and in the South Eastern Region. He was President from October 2005 until his death in office in January 2008 and Time Trial Secretary 2000-2005. Bill often stated that there were already too many trophies and said he did not want a trophy in his name. So, in keeping with Bill's wishes there is no trophy for this event. All finishers in the first event in 2009 did, however, receive a T.A. Bronze Medal.

INTERNATIONAL TRICYCLE EVENTS

These began as the result of an initiative by Wayne Baker who had been holidaying for several years in St. Marsault, a small village in the region of Poitou-Charantes, France and on several occasions had taken his tricycle with him. The villagers and some English ex-pats who were living in the village became increasingly intrigued by the tricycle and Wayne's accounts of tricycle racing in England.

The first event, a time-trial conceived as an "International Tricycle Challenge" in conjunction with the fete at St. Marsault, was held in 1998 and was organised by Wayne Baker and Roger Clemerson with the cooperation of the Comite des Fetes de St. Marsault and the support of the Tricycle Association.

The following years saw the event become established in St. Marsault and become recognised as an unofficial World Championship for Tricycles. As a result of the contacts made at St Marsault Tricycle World Championships have since been held in St Marsault, Belgium and England, but the event still returns to St. Marsault every second year. The event has been run as a time trial every year except in 2006 when it was run as a two-stage massed start and time trial.

The Marjorie Heighway Trophy for the first tandem tricycle was first awarded in 2002 in her memory after she was tragically killed in a road accident. It was subscribed to by the villagers of St Marsault and members of the Tricycle Association

Below is a record of these events, together with details of one-off event run as a criterium in Hyde Park, London to celebrate the visit of the Tour de France in 2007.

ROAD RECORDS ASSOCIATION RECORDS

The Road Records Association (RRA) was founded in 1888 to certify the genuineness of claims to best performances on record by cyclists on the road. Single Tricycle and Tandem Tricycle records ratified by the RRA are listed here. Records rounded to the next minute are shown without 'seconds', these records have to be beaten by at least one minute. The 1000 miles will continue to be rounded to the next minute. The Men's Tandem Tricycle 24 must be beaten by at least one quarter of a mile. Fixed time records are rounded down to next tenth of a mile. (See RRA Rules 11.04 and 11.05)

The Women's Road Record Association (WRRRA) was formed in 1934 to carry out the same function for women. In 1989 both bodies merged as the Road Records Association, which continues to ratify records in a similar way to over 100 years ago.

Women's Road Records Association Records

Note:

In 1989, when the RRA and the WRRR merged as the Road Records Association, most records on the WRRR books were transferred to the merged body, but two women's single tricycle records were discontinued and will not be attempted in future. These two records are:
